

**OPEN
POSITION**

Internationalization Officer

The offer

You are

A dynamic and proactive team player with experience in International Funding Opportunities for Biomedical Research.

The position

You will proactively search for upcoming international funding opportunities and potential partners, as well as identify opportunities in our research groups for applying to such calls. Also, together with our Service of Competitive Funding and our Department of excellence, you will bring support to the project coordinators in proposal generation, applications and grants managements.

YOUR GOALS:

- ★ Leadership in international projects
- ★ Attraction of international competitive funding
- ★ International visibility

Requirements

University Degree in Health Sciences, management or similar. PhD will be positively valued.

High level of English written and spoken.

Previous similar experience for at least 4 years working as an International Projects Officer, either in research centers, private enterprises or consultancy firms.

The institute

IMIM is the research institute of Hospital del Mar (BARCELONA)

IMIM is part of the Barcelona Biomedical Research Park (PRBB). This is an exceptional environment to do translational research, having the best technological platforms (cytometry, animal facility, microscopy, etc.) and a close relation with Hospital del Mar.

The access to patients and samples makes possible a direct application of the best scientific advances.

The team

You will closely work with the Department of Excellence and the Service of Competitive Funding, that will support you in the implementation of actions in the institute and in the management of calls and grants.

OUR RESEARCH PROGRAMS:

- #Clinical-Translation
- #Cancer
- #Neuroscience
- #Epidemiology&PublicHealth
- #Biomedical Informatics

HOW TO APPLY

Send an email to excellence@imim.es with your CV explaining how you fit in this position and why you are interested in working with us.
